(Circle or highlight all of above that apply.)

Allow at least 90 days for the application to be processed. Applications for endangered species permits must be published in the Federal Register for a 30-day public comment period.

Please provide the following information. If needed, use a separate sheet of paper. On all attachments or separate sheets you are submitting, please indicate the application question number you are addressing. If applying for more than one species, be sure to answer questions 1- species is being addressed in this application. Note: if you are requesting to export CITES-listed species, you may be required to complete section D of form 3-200-33.

1. For EACH plant species:
 - a. Scientific name (genus, species, and if applicable, subspecies or variety) and common name;
 - b. Quantity;
 - c. Part or product (seed, whole plant, etc.);
 - d. If whole plants or cuttings, indicate size (leaf span, height, length, etc.); and
 - e. Source of specimen (wild or artificially propagated).
2. Current location of the specimens (provide address and country);
3. If **export**, provide Name and address of the recipient in the foreign country if export; if **import**, provide Name and address of the exporter in the foreign country shipper.
4. What is the purpose of the export?

5. **For plants taken from the wild**, provide:
 - a. Copies of documents to show the plants were legally collected (i.e., Foreign, State or Federal permits, landowner's permission, etc.).
 - b. What efforts have you made to utilize artificially propagated specimens in lieu of taking plants from the wild?
 - c. If you purchased the plants, provide the invoice or other document that shows the name, address and telephone number of the person from whom you obtained the plants and date obtained. If a specimen was not directly obtained from the collector, document the history of transactions.
 - d. Number of specimens collected and date of collection.
 - e. Specific location where the specimens were/will be collected (provide a map if possible).
 - f. Who (name and address) collected the specimens.
 - g. Approximate density (such as number of plants per acre) and distribution of the species.
 - h. Collection methodology (i.e., whether the specimens were removed from one clump in an area of several clumps or from more than one clump or patch at a specific location).
 - i. Ratio of how many collected to how many remain.
6. **For artificially propagated plants**, provide:
 - a. A signed statement from the propagator, sworn affidavit, or other evidence that the specimen was artificially propagated.
 - b. If a specimen was not artificially propagated at your facility, provide the invoice or other document that shows the name, address and telephone number of the person from whom you purchased the plant and date of purchase. If the specimen was not directly obtained from the propagator, document the history of transactions.
7. **For ESA species**, provide:
 - a. A full statement justifying the need for a permit including the details of the activities to be carried out.
 - b. If your purpose is for scientific research, attach a copy of your research proposal which outlines the purpose, objectives, methods (i.e., include specific information on survey/collection methods, sampling regime, etc.), and whether similar work has already been done or is currently being done.
 - c. Description of the technical expertise of each person as it relates to the proposed activities.
 - d. Copies of contracts or agreements or other permits that identify persons involved and dates of activities for which the permit is sought.

- e. A statement of how the activities will enhance or benefit the propagation or survival of the species in the wild (e.g., organized propagation program, etc).
 - f. Does the requested activity involve native species? If yes, provide information to show that the activity is consistent with any recovery plan for the species.
8. If the live plants to be covered by permit are to be propagated or maintained at your facility, provide:
- a. Approximate number of specimens you currently maintain.
 - b. Description of your method of propagation (e.g., seed, cutting, mericlone, etc.), and provide photographs of your facilities, and a description of the conditions under which your plants are grown.
 - c. A description of your background and expertise in working with this or similar species, including (i) the number of years each species has been maintained and (ii) a list of the numbers successfully propagated annually.
 - d. A copy of your State license and U.S. Department of Agriculture General permit, as appropriate.
9. A statement of whether you are willing to cooperate in a propagation program and maintain or contribute data regarding propagation success.
10. **If import or export:**
- a. Copy of any foreign permits (for CITES Appendix-I plants provide a copy of import permit or evidence one will be issued). If plant is to be taken from the wild, provide documentation from the foreign government approving the action.
 - b. For CITES species, describe: (i) the type, size, and construction of shipping containers and (ii) the arrangements for watering and caring for the specimens during transportation.
 - c. For **import of CITES Appendix-I specimens**, provide information to show the import is not for primarily commercial purposes as outlined in CITES Resolution Conf. 5.10 (copy enclosed).
11. Address where you wish permit mailed (if different than page 1):
_____.
12. If you wish the permit to be mailed other than by regular mail, provide air bill, pre-paid envelope, or billing information
_____.
13. Who should we contact if we have questions about the application? (Include name, phone number, and email):
_____.

PERMIT APPLICATION FORM INSTRUCTIONS

The following instructions pertain to the standard permit form 3-200 that must be completed as an application for a U.S. Fish and Wildlife Service or CITES permit. The General Permit Procedures in 50 CFR 13 address the permitting process. For simplification, all licenses, permits, registrations, and certificates will be referred to as a permit.

- Complete all appropriate blocks/lines/questions in Sections A OR B, and C and D. **Print clearly or type in the information.** An incomplete application may cause delays in processing or may be returned to the applicant. Note: if a field is "grayed in", no answer is required.
- Sign the application in blue ink and send the original to the address at the top of the application. Faxes or copies of the original signature will not be accepted.
- Please plan ahead. Allow at least 60 days for your application to be processed (50 CFR 13.11). However, some applications may take longer than 90 days to process. Applications are processed in the order they are received.
- Additional forms and instructions are available from <http://permits.fws.gov/>.

Most of the application form is self-explanatory, but the following provides some assistance for completing the form.

COMPLETE EITHER SECTION A OR SECTION B:

- Section A. **"Complete if applying as an individual"** - Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. All blocks must be completed. **If you are applying on behalf of a client, the personal information must pertain to the client; and a document evidencing power of attorney must be included with the application.**
- Section B. **"Complete if applying as a business, corporation, public agency, or institution"** - Enter the complete name and address of the business, agency or institution that will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in, the name and phone number of the person in charge (i.e., principal officer), and if the company is incorporated, the State in which it is incorporated.

ALL APPLICANTS COMPLETE SECTION C:

- Section C.1 **"Do you currently have or have you had any Federal Fish and Wildlife permits?"** List the number(s) of your most current FWS or CITES permit or the number of the most recent permit if none are currently valid. If applying for a renewal of a CITES permit, the original permit must be returned with this application.
- Section C.2 **"Have you obtained all required State, Federal or foreign government approval to conduct the activity you propose?"** (Please be aware that there may be other requirements necessary to conduct this activity such as a hunting license, import permit, or collection permit.) If "yes," list the state, Federal or foreign countries involved and type of document required. Include a copy of these documents with the application. If you have applied for the documents, check the "have applied" box and list the state, Federal or foreign countries involved and type of documents required. If the proposed activity is not regulated check "not required."
- Section C.3 **"Check or money order (if applicable)"** There is an application processing fee unless you are applying as a Federal, State or tribal government agency or you are an individual or institution under contract to such agency for the proposed activities. (See 50 CFR 13.11(d)(3) for fee schedule.) Proof of status as a Federal, State or tribal government agency or contractor to such agency should accompany your application. The application processing fee is assessed to partially cover the cost of processing a request. The fee does not guarantee the issuance of a permit. It will not be refunded regardless of whether a permit is issued, abandoned, or denied. See the accompanying section APPLICATION PROCESSING FEE for the fee to process this application. Make your check or money order payable to the "U.S. Fish and Wildlife Service" and attach it to the application form.
- Section C.4 **"CERTIFICATION"** The individual identified in Section A, the principal officer named in Section B, or person with a valid power of attorney (documentation must be included in the application) must sign and date the application in blue ink. This signature binds the applicant to the statement of certification. This means that you certify that you have read and understand the regulations that apply to the permit. You also certify that everything included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing.

ALL APPLICANTS COMPLETE SECTION D:

Provide any required additional information outlined in Section D. of the application form. Be as complete and descriptive as possible. If there is any doubt as to the information's relevance, include it with the application. Please do not send videotapes or DVDs.

APPLICATION FOR A FEDERAL FISH AND WILDLIFE PERMIT

Paperwork Reduction Act and the Privacy Act – Notices

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*) and the Privacy Act of 1974 (5 U.S.C. 552a), please be advised that:

1. The gathering of information on fish and wildlife is authorized by:
 - a. Bald and Golden Eagle Protection Act (16 U.S.C. 668), [Title 50 Part 22 of the Code of Federal Regulations \(CFR\)](#);
 - b. Endangered Species Act of 1973 (16 U.S.C. 1531-1544), [Title 50 CFR Part 17](#);
 - c. Migratory Bird Treaty Act (16 U.S.C. 703-712), [Title 50 CFR Part 21](#);
 - d. Marine Mammal Protection Act of 1972 (16 U.S.C. 1361, *et seq.*), [Title 50 CFR Part 18](#);
 - e. Wild Bird Conservation Act (16 U.S.C. 4901-4916), [Title 50 CFR Part 15](#);
 - f. Lacey Act (18 U.S.C. 42); Injurious Wildlife, [Title 50 CFR Part 16](#);
 - g. [Convention on International Trade in Endangered Species of Wild Fauna and Flora \(TIAS 8249\)](#); [Title 50 CFR Part 23](#).
 - h. General Provisions, [Title 50 CFR Part 10](#);
 - i. General Permit Procedures, [Title 50 CFR Part 13](#); and
 - j. Wildlife (Import/export/transport), [Title 50 CFR Part 14](#).
2. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. Response is not required unless a currently valid Office of Management and Budget (OMB) control number is displayed.
3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374) will be published in the **Federal Register** as required by the two laws.
4. Routine use disclosures outside the Department of the Interior may be made without the consent of an individual if the disclosure is compatible with the purposes for which the record was collected. (Ref. 68 FR 52611, September 4, 2003) Disclosures outside the DOI may be made under the routine uses listed below without the consent of the individual if the disclosure is compatible with the purposes for which the record was collected.
 - a. To subject matter experts, and State, Federal, local, and foreign agencies, for the purpose of obtaining advice relevant to making a decision on an application for a permit or when necessary to accomplish a FWS function related to this system of records.
 - b. To the public as a result of publishing Federal Register notices announcing the receipt of permit applications for public comment or notice of the decision on a permit application.
 - c. To Federal, State, local, or foreign wildlife and plant agencies for the exchange of information on permits granted or denied to assure compliance with all applicable permitting requirements.
 - d. To Captive-bred Wildlife registrants under the Endangered Species Act for the exchange of authorized species, and to share information on the captive breeding of these species.
 - e. To Federal, State, and local authorities who need to know who is permitted to receive and rehabilitate sick, orphaned, and injured birds under the Migratory Bird Treaty Act and the Bald and Golden Eagle Protection Act; federally permitted rehabilitators; individuals seeking a permitted rehabilitator with whom to place a sick, injured, or orphaned bird in need of care; and licensed veterinarians who receive, treat, or diagnose sick, orphaned, and injured birds.
 - f. To the Department of Justice (DOJ), or a court, adjudicative, or other administrative body or to a party in litigation before a court or adjudicative or administrative body, under certain circumstances;
 - g. To the appropriate Federal, State, tribal, local, or foreign governmental agency responsible for investigating, prosecuting, enforcing, or implementing statutes, rules, or licenses, when we become aware of a violation or potential violation of such statutes, rules, or licenses, or when we need to monitor activities associated with a permit or regulated use.
 - h. To a congressional office in response to an inquiry to the office by the individual to whom the record pertains.
 - i. To the General Accounting Office or Congress when the information is required for the evaluation of the permit programs.
 - j. To provide addresses obtained from the Internal Revenue Service to debt collection agencies for purposes of locating a debtor to collect or compromise a Federal claim against the debtor, or to consumer reporting agencies to prepare a commercial credit report for use by the FWS.
5. For individuals, personal information such as home address and telephone number, financial data, and personal identifiers (social security number, birth date, etc.) will be removed prior to any release of the application.
6. The public reporting burden on the applicant for this information collection varies depending on the activity for which a permit is requested. The relevant burden for this permit application is **60 minutes**. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, Mail Stop 222, Arlington Square, U.S. Department of the Interior, 1849 C Street, NW, Washington D.C. 20240.

Freedom of Information Act – Notice

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.13(c)(4), 43 CFR 2.15(d)(1)(i)].

Application Processing Fee

The fee to process this application is \$100. Checks should be made payable to "U.S. Fish and Wildlife Service." Fees for renewals and amendments may vary; see fee schedule at 50 CFR 13.11(d)(4)]. The processing fee will not be refunded regardless of whether a permit is issued, abandoned, or denied. The fee schedule does not apply to any Federal, State, or tribal government agency or individual or institution under contract to such agency for the proposed activities.
